GOING THY WAY, GOING WAY OUT

I suspect that writer Lou Silverstone is no more Vatican-esque than I, but his "Going Thy Way" reflected a knowing holier-than-now humor. And his follow-up, "Going Way Out", comes closer to what should be the Gospel truth.

Carol Bortstein
Bronx, N.Y.

Congratulations to Silverstone and Torres on "Going Thy Way" and "Going Way Out". All I want to know is what happens *after* Kowalski...?

Jenny Jacobs
Jericho, Vt.

Angelo Torres and Lou Silverstone gave us a blessed event in their perceptive *then* and *now* churchgoings on.

Shirley Jo Probert
San Marino, Calif.

LIGHTER SIDE OF LEISURE TIME

Regarding Dave Berg's "The Lighter Side Of Leisure Time", I concluded that I read MAD so much, I don't have any leisure time!

Lisa Perillo

MAD PREDICTIONS OF NATIONAL INFAMY?

Apparently, MAD Magazine was trying to prepare us for Watergate, way back in 1971!

Gene Gladson
Indianapolis, Ind.

A MAD LOOK AT WEDDINGS

Sergio's spread on "Weddings" was hilarious and, as usual, his Drawn-Out Dramas were great. Although there are many great cartoonists in MAD, he is Numero Uno in my book. And *your* book.

Mark Cardigan
Shrewsbury, Mass.

Upon reading "A MAD Look At Weddings", I've decided to remain a bachelor.

Bill Fridl
Yonkers, N.Y.

Sergio Aragonés' "A MAD Look At Weddings" really takes the cake!

Lynne Ware

CORPORATE ECOLOGIST OF THE YEAR

If any industrialists happen to read "MAD's Corporate Ecologist Of The Year", maybe industry could learn to use paper as efficiently as Lou Silverstone and Paul Coker, Jr. Congratulations on your paper product.

Mikael Lancaster
Palo Alto, Calif.

After reading "MAD's Corporate Ecologist Of The Year", I wondered how come it's the first time I've ever seen anything against garbage...inside of garbage.

YEAR BOOK THAT TELLS IT LIKE IT IS

I enjoyed "A High School Year Book That Tells It Like It Really Is." Rolling Stones High School...? Is that where writer Tom Koch got his "education"?

Jon Deininger

Tom Koch and Jack Rickard described the Youngstown, Ohio, City Schools so magnificently!

CANNONBALL

"Cannonball" by Dick De Bartolo and Jack Davis was super. Let's see how many more like these they can throw up.

Kevin Carroll
Washington, D.C.

I just couldn't swallow your "Cannonball"! Who wants to see a guy eating every time you turn the page? But your introduction to it was brilliant!

Anne Shearing
Orono, Maine

William Conrad, who plays Cannon, is a truly dedicated and exceptional actor. Glad to see him immortalized by artist Jack Davis. May they both live off the fat of the land!

Lyra Halprin
Santa Monica, Calif.

Jack Davis and Dick De Bartolo served up a delicious satire on "Cannon".

Eric Holmberg
Glenshaw, Pa.

You said Frank Cannon suffers from the worst handicap, being overweight. I'm fat and I'm proud!

Bill Mapes
S. Daytona, Fla.

"Cannon" is a great show and he can't help it if he's fat.

Larry Metzger

"Cannonball" was a big, fat success!

ARTIST: MORT DRUCKER

Isn't it exciting, Benny? After our Honeymoon in Miami, we'll come back here to New York, and spend the rest of our lives together! How long do you think we'll live?

If you plan on going out at NIGHT, about 15 or 20 minutes!

Someone's in the kitchen with Di-nah . . .
Someone's in the kitchen I know-ow-ow-ow!
Someone's in the kitchen with Di . . . NAHH . . .

Okay, Mac! Pull over t'the side!

What's wrong, Officer? I was only doing 35, I was on the right side of the road, I didn't go through any lights and I didn't pass any stop signs!

I'm booking you for "Lousy Singing"!

Boy, I've heard of Speed Traps here in the South, but this is ridiculous!

ARTBURN KID

WRITER: LARRY SIEGEL

Boy, are you disgusting! Who, in the movie audience, is going to believe that such a clean-cut guy as me married a slob like you!?

The same people who'll believe that we went together for three years, and you never saw me eat!

Wow! What a Wedding Night this is, Benny! Isn't this the greatest?!!

You never dreamed anything could be so wonderful, right?!!

I'll bet you never thought I was such an acrobat in bed!!

Yeah . . . the greatest!

Right . . .

Oh, yeah . . . some acrobat!

Come to bed, Benny! I've got something for you . . .

No, thank you! I've already HAD acne!

But it's our Wedding Night! You HAVE to come to bed with me!!

Who says I do?!

My Mother says you do!

Your MOTHER?!? Boy, are you square! Who listens to Mothers nowadays? Give me one good reason why I should listen to yours!

She happens to be a devoted Parent, she knows what's best for her children—

You call those good reasons?!?

And she's ALSO the Director of this picture!

THAT'S a good reason!

Hey, Benny! I thought we were going to Miami Beach for our Honeymoon!

You must have made a wrong turn somewhere and wound up in DISNEY WORLD instead!!

Just look at the make-believe architecture . . . those weird people . . . those silly costumes . . . the atmosphere of total idiocy about the place!

Relax, Baby! This IS Miami Beach!

Daddy . . . this is Benny!
Benny . . . this is my Father!

Hi, Mr. Corker!

Look, punk! My Daughter wants whatever I want! And I'll tell you right now, I don't want a Benny! I also don't want an Irving . . . or a Murray . . . or a Morris! You know what I mean?

Sure! I get it! You don't have to spell it out! I know what you want, you Bigot! You want a Wayne or a Keith or a Lance!

No, as a matter of fact, I want an OSCAR! Now, cool it and let me really ham up this once-in-a-lifetime role!

HEY! YOU'RE ON MY SPOT!

Remember what I told you, you *&#%\$#@* punk! Keep your *&#%\$#@* hands off my Daughter or I'll break every *&#%\$#@* bone in your *&#%\$#@* @#%\$& body!!

What happened? Was he hit by a truck?

No . . . I think he was stung by a WASP!

Don't give up, Benny! We're going for a ride on our boat tomorrow! Why don't you join us? Once Daddy gets to know you, everything will be okay!

I feel great this morning, Benny! Let's go down to the beach!

I'd love to, but something came up! I read where an Army buddy I haven't seen for years was in an auto accident and was rushed to the hospital where he's been calling my name on his deathbed!

Where did you read that idiocy . . . in the newspaper the Bellhop gave you?!

No, in the script your Mother gave me!

Hi, Kooly! Hi, Mr. Corker!

Bye, Kooly! Bye, Mr. Corker!

I think Daddy's beginning to like you, Benny! He wants you to have dinner with us tonight!

THIS is how he invites people to dinner?!!

You should be around when he sends out our New Year's Eve invitations!

Let's go out to dinner tonight, Benny!

I can't, Lulu! Something just came up again!

Hold it, Buster! I've been cooped up in this hotel for **three days!** So if you think I'm going to buy another **cockamamie** excuse from you, you're **crazy!** Don't tell me your old Army buddy needs you again! And don't tell me he's **dead** and you have to complete a **secret mission to Red China** for him! **No more lies, Benny!** A good marriage is based on **TRUTH!**

Okay, Lulu! I can't have dinner with you because I'm having dinner with a girl I just met . . . and her **Parents!** I've fallen madly in **love** with her, and I'm trying to sell myself to her **Parents!** That's the **truth . . .** and I'll **never lie again!**

Thank God our marriage is **saved!** I was getting a little **worried** there for a minute!

Mr. Corker, Mrs. Corker . . . I'll put my **cards** right on the **table!**

I want to marry your **Daughter!** Now, let's list all the facts: First, I hardly **know** her! Second, she hardly **knows** me! Third, you hardly **know** me! Fourth, we're from **two different worlds!** Fifth, I have **no money!** Sixth, we're of **different religions!** Seventh . . .

What lousy luck! One more minute and I would have **sold** him! He didn't give me a chance to play my **ace** in the hole!

What was that?

I was just getting ready to tell him I'm **ALREADY MARRIED!**

Well . . . I guess this is **Goodbye!**

No, it's not! I'm getting rid of my **Wife!** Then, in a few weeks, I'm coming out to your home and marry you! So . . . order the **Wedding Invitations!**

I realize this may be a little sudden, Lulu . . . but I want a **DIVORCE!**

A **DIVORCE!?!?** No, Benny! I **love** you!

I'll give you my **car**, all my **money!** Anything! Just let me go!

Benny, all I've ever dreamed of is wrapped up in the **two** of us!

Do you think I'd trade a life-time of happiness and fulfillment for a lousy **car** and some **money!?!?**

I'll toss in 100 cartons of **Milky Ways** and full visitation rights to the **Hershey Chocolate Factory!**

You got a **deal!**

Benny! What are you doing in **Minneapolis?**

I've got great news, Kooly! I divorced my **Wife!** Now we can get **married!**

Benny, I could never marry a **Divorced Man!** I told you about my **moral principles!** What you did is an **act against God!**

But . . . I **love** you! What should I **do??**

Marry **somebody else!** Then we can fool around **again!**

Listen, Kooly, I happen to know you're **Protestant!** And Protestants **DO** believe in **Divorce!**

They **DO!?!?** I didn't know that!

Then you'll **MARRY** me??

Of course, Benny! If it's okay with my **Father!** And then, once we're married, you and I will . . . uh . . .

You and I will **WHAT . . . ?**

We'll fool around with **other people!**

Daddy said he wants to **speak** to you right after dinner ... about our plans to get married!

Dinner is almost set, kids! I'm just about to start carving!

Sounds great, Mr. Corker! I'm famished! What'll you be carving?

YOU, punk!

It's no use trying to talk me out of it! I'm going to marry Kooly ... and that's **FINAL!**

Over my dead body, you will!

Hah! You don't scare **ME**, Mr. Corker!

Isn't Benny forceful and ruthless, Mother?!? Who does he remind you of ... ?

Uh—Adolf Hitler?

No ... **DADDY!!**

Same thing!

Okay! Now I'll put **MY** cards on the table! I'll give you **\$10,000** if you give up your Daughter!

You can't buy me off, Mr. Corker!

If you think I'd accept mere money for a sweet, adorable girl ...

The dearest thing in my life! Pure! **Untouched! Innocent ...**

Uh ... on second thought, who needs a tramp!!

\$20,000!

\$50,000!!

\$100,000!!

I hear that the famous **BENNY** is getting married in there today!

BENNY?!? Isn't he the guy who turned down Kooly Corker for **\$100,000** a year ago!

Right! And since then, he's gotten involved with ... and turned down—for money ... daughters of Bankers, Oil Tycoons, a U.S. Senator and the President of the United States! He's blackmailed his way to a huge fortune!

And you mean to tell me he's getting married again?!?

Yeah ... to the daughter of the most **important** man in the **World!** But I understand he plans to **divorce** her in a few weeks ... and take her Father and her Family for everything they've got!

Boy ... this time he's **REALLY** got it made!

Not necessarily!

BUMPER STICKERS DEPT.

There are more conservation groups and ecology clubs in America than ever before. Unfortunately, there are also more cars on the road than ever before, and it isn't hard to guess who's winning the daily battle between automobile and animal. With this in mind, we now propose a more practical handbook for nature study—one geared to help the reader identify Mother Nature's creatures as we most often view them . . .

The MAD MOTORISTS GUIDE to American Wildlife

ARTIST & WRITER: AL JAFFEE

IDEA BY: ROBERT KAUFMAN

Chapter I IDENTIFYING WILDLIFE

One of the great pleasures of driving is identifying the specimens one comes across in one's travels, not to mention specimens that other motorists have run across in *their* travels. Perhaps the most convenient way is when you've returned home, you can leisurely study and identify the specimens indelibly etched on your car.

The key to specimen identification is to learn what nature's creatures look like in their *altered state*. It is important not to confuse wildlife with other things, such as the windblown refuse thrown out of the windows of other cars. Then too, the splotch from a praying mantis could easily be confused with the splotch from a preying pigeon with accurate aim. A few weeks of hard study is all anyone ever needs to become expert, so stick with it!

Chapter III

IDENTIFYING WILDLIFE BY SOUND

Most highway specimens are created at night. But, of course, in the dark viewing is sometimes impossible. The *serious* highway wildlife collector must learn the *sounds* of his prey. The following examples will start you off on the right road! Allow for minor differences in specimen sounds depending upon locale.

THE SOUND YOU HEARD

WHUMP!

WHAT CAUSED IT

THE SOUND YOU HEARD

Chapter VI

CONSERVATION

With conservation uppermost in our minds today, we must think of those that follow us on life's broad highway. We must not selfishly enjoy, but learn to share. With this in mind, *Motorist's Guide* recommends all wildlife enthusiasts utilize the shatter-proof, low silhouette plastic covers available in a variety of shapes and sizes and which are easily stored in your rear trunk.

To conserve your specimen so others can delight in your findings also, merely place appropriate sized cover over it. Its self-sticking adhesive edge will keep everything in place for weeks.

Chapter IX

ROAD HAZARDS FOR ENTHUSIASTS

Due to the scanning nature of the wildlife enthusiast's driving style, he often devotes too little time to familiar road signs and responds reflexively to their warnings.

A case in point is when a driver observes the typical "curve in the road" caution and turns the wheel automatically . . .

...only to find the "warning" was nothing more than a snake flung across a blank billboard by a previous car!

Chapter XII PHOTOGRAPHS AND TROPHIES

A hit is as good as a miss if you end up with nothing to show for it. Two popular ways of showing off specimens that you may personally encounter are photos and mounted trophies. Here are some helpful tips on both methods.

PHOTOGRAPHS

Always plan your shot around the features that will best identify your specimen, assuming, of course, some identifiable characteristics remain. Consider the examples of *good* and *bad* shots that follow.

GOOD SHOT Overhead view of turtle

BAD SHOT Side view of turtle

TROPHIES

Mounting trophies is strictly a matter of personal taste, and thus little can be said about it. One hint, however, is that you carry a hacksaw in your trunk for cutting road signs "that tell a story." These will invariably prove to be the best souvenirs of your trip!

Chapter XV CHARTING SPECIMENS

Like any great sport, a 'score card' is half the fun. A specimen chart for charting specimens that any wildlife enthusiast will find simple to make and pleasurable to use follows below:

My trip across <i>Northwest U.S.A.</i> from <i>July 20, 1973</i> ending <i>August 6, 1973</i>						
SPECIMENS SIGHTED BY ME	SPECIMENS STRUCK BY ME	SPECIMENS STRUCK BY OTHERS	SPECIMENS OFF THE ROAD	SPECIMENS ON THE ROAD	SPECIMENS STILL BOUNCING AROUND	GENERAL CONDITION OF SPECIMENS

Oh, I have that problem licked!

First, I bought myself a can of Mace! Then I got a Police Whistle! Then I got this big Hat Pin ...

Then I got this ferocious Attack Dog! Then, to make absolutely sure I'm safe ...

... I stay at home at night!

THE LIGHTER SIDE OF...

CRIME

Boy ... this was some fantastic idea the City Anti-Crime Commission had, huh ... lighting up these dark streets!?

You better believe it! Before they came up with that move, the streets in this town were so dark, you couldn't see your hand in front of your face!

Now, no matter what time of night it is, you can go to work on streets that are lit up bright as day! You don't have to worry any more!

Now you can really see which cars to break into!

Yeah! Here's one with some suitcases in it! Pass the pliers ...

IN THE STREETS

ARTIST & WRITER: DAVE BERG

We are in the midst of the worst crime wave in history! And what's the biggest cause of crime? **Drug addiction!** Drug addicts have to steal to finance their habit!

I say they should take all the drug addicts and put 'em in **Concentration Camps!** Let 'em prey on each other, and leave us honest folks alone!

That is the worst, **Fascist, un-American idea** I ever heard of! Besides . . . think of all the money that would be wasted!

Huh? What money would be wasted?

All the money I spent burglar-proofing my home!

You—you're back here again?!

Yep! This is the third time my house was broken into—and my television set stolen!!

And you have to replace it again, eh? Let me show you our stock . . .

As you can see, we have a large variety!

How about this one?

I don't recommend that model! It'll give you nothing but trouble!

Good! I'll take it!!

Let the next house-breaker suffer!!

See this lamp! It's connected to a gadget that automatically turns the light on at dusk! A light is supposed to scare off burglars when we're not home!

Isn't that ingenious?! Modern-day Technology has made such great strides!

Big deal! It didn't do ME any good! We were ripped off anyway!

Really? How did that happen?

It happened because of Modern-day Technology!

The bulb in the lamp blew out!

There were so many reports of burglaries and break-ins that I figured I'd better do something to protect myself!

So I bought myself a double-barrelled shot gun, and put it under my bed—just in case!

Sure enough, I come home one night . . . and there's a burglar in the house!

Did you get your shot-gun?

No . . . the **BURGLAR** was hiding under the bed!!

The crime rate is so high, many Insurance Companies won't sell Theft Insurance! And they cancel existing policies when they run out! So if you really want Theft Insurance you have to pay exorbitant prices for it!

But I felt that insuring my material possessions was more important than saving money, so I paid the big premiums, just to have peace of mind!

But you hardly **HAVE** any possessions!

I know! I've been selling them off to raise money to pay the big premiums!

Oh, darn! I don't have any paper bags! What am I going to do with this stuff?

You've got a shopping bag! Use that!

Sometimes, you actually make sense! I'll be right back! I'm taking it downstairs . . .

HEY!!

STOP, THIEF! STOP!!

What'd he steal??

HE—HE STOLE MY GARBAGE!!

Boy, I have to go to the bathroom so bad, my back teeth are swimming!

Then why don't you go?

BOYS

You kidding?!? I wouldn't go near the place! Last time I was in there, "Big Dom" and "Rocko The Knife" mugged me for five bucks!

Did you report it to the Principal?

Are you crazy?!?

There's nothing worse than a **SNITCHER!!**

BOYS

I was really scared to walk the streets in this city! I mean, there's so much talk about robberies and muggings!

Then I got myself this **Attack Dog**—and now I'm not scared anymore!

Gee, **Attack Dogs** are expensive, aren't they?

You bet! This mutt cost me over **\$500!**

Oh, wow! Where'd you get that kind of bread?!?

I mugged a few people!

BAR

Gulp! This is one rough-looking neighborhood! I'm really scared stiff to be walking through it alone!

Oh, no! Now, there's a big **Black** guy following me! I think I'm in heavy trouble!

The faster I walk, the faster **HE** walks!!

Gulp! I wish that big **White** guy would walk slower!

This is one rough-looking neighborhood . . . and I'm really scared stiff to be walking through it alone!

Why, Motorcycling alone has about three dozen publications, presumably all trying to appeal to the same three dozen motorcyclists who know how to read. But

A wife I'm abusing
The man that I'm choosing
Will be.

BUNK DEALERS DEPT.

Hello! I'm **Howard Excell**! Every so often, MAD Magazine selects famous TV interviewers to speak to important business or professional leaders in various fields. Well, this issue, I lose! So join me now as I interview **Mr. Sidney Goldstar**, who has just been chosen...

MAD'S SUMMER CAMP OWNER OF THE YEAR

Hi, there, Howard... and welcome to fabulous **Camp Whinniehaha**!

Not at all! Many Camps have American Indian names!

No... because we Camp owners take our Campers' parents the way America took the Indians... for everything they got!

That's rather an unusual name for a Camp, isn't it, Mr. Goldstar?

Why's that? Because the American Indian symbolizes **Frontier Living** and a return to **Mother Nature**?

Ha-ha! A little inside Camp joke! That won't be in print, will it, Howard?!

I'm afraid it will!

Ahh! Who cares?! I'm booked for the Season!

ARTIST: PAUL COKER, JR.

WRITER: LARRY SIEGEL

As the owner of a Summer Camp, Mr. Goldstar, you must really like kids!

Frankly, I hate their guts! But that's what I've got **Counselors** for—to keep 'em off my back! Personally, I don't understand kids! I've got no patience with them! And I have no relationship with them whatsoever! Boy, am I glad this isn't an all-year 'round job!

What do you do the rest of the year?

I'm a High School Principal!

Have you seen this brochure we send out to all our prospective campers, Howard... telling them about the place?

Why, this is beautiful! It looks like a shot of the Taj Mahal!

It IS a shot of the Taj Mahal! Now let me show you the CAMP!

This is the Camp?!? But this place doesn't look at ALL like the picture in the brochure!

Of course, not, Silly! After all, there's only ONE Taj Mahal!

But that's outright false representation!! What happens when the Parents come up to camp on Visiting Day? This must be the biggest shock of their lives!

The second biggest!

The . . . SECOND?!? But what could look more broken-down and horrible than this . . . this Camp?!

The CAMPERS! Twenty pounds underweight! Covered with poison ivy! You talk about shock?!? Boy, I'm glad I don't have to go near them!

What do you say we drive back to the city and meet the new Campers at the Bus Terminal! The Camp Season begins today!

Look at them, Howard! A sea of shining, eager faces . . . ready for a whole Summer of wild adventure without a worry or a care in the world!

Why, those kids look miserable to me! Most of them are crying!

Who's talking about the kids?! I mean the Parents! They're gonna have a ball with those brats off their backs!

There are some of my Counselors, Howard!

Okay, you Counselors! Get the baggage on board! Round up the kids! Take roll-call! Lead them in song! Keep them amused! Take them to their bunks when we arrive! Help them undress! Then, lights out at 9:00!!

What do you pay your Counselors, Mr. Goldstar?

Who pays them?!? If they're lucky, they'll pick up tips! But why think about money when they're here to have FUN?!?

Well, here we are . . . back in Camp, Howard! This is a typical Bunk!

Aside from that, it's really very comfortable in here! Except when it rains!

So let's hope it doesn't rain!

You mean it's NOT raining?! So where's all the WATER coming from?!

How do I know!? You want to know about leaking water—go interview a Plumber!

Look at the water pouring down from the ceiling!

You can say that again!

Now let's look at the Dining Hall . . . Whoops! Watch out for the Garbage Truck, Howard!

To the Kitchen entrance! But I'm not sure if he's taking away the garbage, or delivering the Dinner! Ha-ha! That's another little Camp joke . . .

You said it! And Camp food is the biggest joke of them all! Come! I'll show you!

Where's HE going?

You seem to have jokes for everything here!

Do you think it's wise to let the kids go swimming so soon after eating? They could get terrible cramps!

The way I look at it, they always get terrible cramps after eating, anyway, Howard!

Besides, what could happen in two feet of water?

It's only two feet!!?

At the DIVING end! Later on in the year, we have Water Contests! The kids have to go from one end of the lake to the other! The winners get Red Cross WADING Certificates!

The important thing, Howard, is to keep the kids busy... to take their minds off how bored they really are!

And that's where Arts & Crafts comes in!!?

Yep! That kid's cutting himself some leather for a wallet! This kid's cutting himself some wood...

And what is that kid doing...?

He's just cutting himself!

But with a little medication and a lot of pain, he'll be as good as new in a month or two!

Gee! The poor kid!

Don't feel sorry for him! Look at the bright side! The wound will take his mind off the most boring thing of all around here!

What's that?

Arts & Crafts!!

We're in luck, Howard! There's a baseball game in progress on Camp Whinnie-haha Field!

You should have seen it BEFORE we had it leveled! But the kids have fun playing here! Why, last year, we had a Center Fielder who was a potential Major Leaguer!

You call that mess a baseball field???

What happened to him...?

He was carried off by an Eagle!

Uncle Sid! Uncle Sid! Jimmy Finster is LOST!!

Oh, my God... another Eagle!

No... he was playing Right Field... and he—he just disappeared!

Okay, send out the Camp St. Bernard to look for him!

We can't! We sent out the Camp St. Bernard to look for our LEFT Fielder!

Y-you mean Tommy Gink is lost, too???

So's the St. Bernard!

I understand you have Horseback Riding here!

We used to! Last year! But no more!

What happened?

The Horse died! Good ol' Dobbin! The kids really LOVED that mangy nag!

I can well imagine!

Yep! With a little ketchup and pickle, he was delicious! The only meal they ever enjoyed here!

I must say, this place is not exactly the height of luxury!

What do you EXPECT for a hundred smackers a week?!!

It costs those kids a hundred a week?! For that food?! For those leaky cabins?!!

They don't sleep in those cabins every night! Take this group! Tonight, they sleep in a place that's not nearly so damp!

Oh? And where's that? Out in the woods! Shall we go along with them on their overnight hike?

I guess a little hike won't hurt us! Howard, THEY hike! We drive!

Let's go, you *¢%\$#!'s! Snap to it! Look alive out there! Close ranks! Any of you *&%\$#!#\$'s fall down, you crawl the rest of the way on your *&¢%\$#! hands and knees!

Ha-ha, forgive me, Howard, I sort of got carried away ever since I saw "Patton"!

Well, here we are in the great outdoors! This is the life, eh, Howard? Sitting around a blazing campfire, toasting marshmallows!

I'm cold!

I'm tired!

I'm lonely!

I'm sick!

Gee, I feel sorry for those kids!

They'll shut up in a minute, just as soon as they get something to eat!

How can you be so sure?

Did YOU ever try talking with hot, gooey marshmallows in your mouth?!!

There's nothing like the haunting romantic sounds of the forest at night, eh, Howard? Listen to the wind in the trees, the crickets chirping, the owls hooting, the snakes rustling, the terrified kids whimpering in cold fear...

Where do WE sleep, Mr. Goldstar?

Back at Camp, you Ninny! If you think I'm going to hang around this JUNGLE for one more minute, you are NUTS!!

Here they come... Whinnie—haha's Hikers... returning from the woods!

They look more like Napoleon's Army... retreating from Moscow!

I hope the Camp Dispensary is well-stocked with supplies!

We don't stint in that area! We have what every Camp Dispensary has: 27 bottles of Aspirin, and 18 bottles of Calamine Lotion!

What about Medical Equipment?!!

Oh, yes...! And one Rectal Thermometer!

After subjecting the American TV Viewing Public to "*All In The Family*," in which the Right-Wing Reactionary point of view was thoroughly misrepresented, and bigotry was depicted as lovable, C.B.S. is now blessing the Left-Wing Liberal point of view with *equal time* . . . and *equal misrepresentation* . . . by subjecting the TV Viewing Public to the ravings of a large loud lady named

I'd like to grab that pipsqueak Milkman and hang him by his **fibula!**

**The fibula

I know! But if our stupid audience thinks I'm talking dirty again, they'll send the Network more of those indignant letters that get us so much free publicity!

Now, **everybody** clear out! I've been appointed by the **League of Baritone Women** to head up their "Voter Registration Drive", and I have a lot of calls to make!

You can start with **ME**, Bawde! I'M not registered to vote!

Wallow, don't be ridiculous! You are the **very type** we want to take the vote **AWAY FROM** ... a middle class white Male! **Yecccch!!**

'Bye, Mom! if you need me, I'll be making **hand grenades** for the **Black Panthers** all morning! I'll be at an **Anarchist Lunch Rally!** And this afternoon, I'm helping **Weathermen** throw rocks at **Public Buildings!**

That's really great, Dear ...

I'll just be at the **Hospital** ... performing delicate surgery to save a victim of a **Coronary!**

Artery ... when are you ever going to stop fooling around and start making something of yourself?!

What does he mean, you can't register to vote because you're not a citizen?!? Listen, **Golda**, I didn't blow twenty bucks on an overseas call just to have you turn me down!

Oh I wish I wuz in de land ub cotton!

Utah ... I don't want to hear you singing that song in this house again!

What's wrong with it?

It merely reinforces the stereotyped image of your people that bigots already have! Now, tap dance out to the kitchen and enjoy some of that nice watermelon I bought you!

DING DONG

Just sign your little names here ... and you can become registered voters for the **Gay Liberation Party**, the **Universal Abortion Party**, or the **Pro-Porno Party** ...

Lady, we're only selling **COOKIES!** We don't know what those things mean!

I know you don't! But our viewers do! And you brats just gave me a chance to boost our **Nielsen** rating by shocking twenty million people three times in one sentence!

I'll buy **ALL** of your cookies if you each pick out fifty **ethnics** to call and demand that they vote against **WASP chauvinist swine!**

Bawde, why don't you give all this up, and use your natural ability to help people who really need you?

You mean ... I should go to **Washington** and lobby for the **under-privileged??**

No. you should go to **Detroit** and play **Linebacker** for the **Lions!**

God will get you for that, Wallow!

Gee! That's the **217th** time this season you've said that, but I never get tired of hearing it!

Why? Because it shows that I still have a sparkling wit, even though I'm angry?!

No ... because it still gets a laugh, even though it's **NOT FUNNY!!**

By the way, aren't you home from the store a little **EARLY**, Wallow? It's only **9:30 A.M.!**

I know! The Producer thought I might shock a few more stations into cutting us off the air this week if I just hung around the house and talked about my hemorrhoids!

Well, I'm busy! So if you plan to make a lot of **sexy remarks** leading into a vulgar bedroom scene, you'll have to do it with the Maid!!

What a great idea! It's so shocking, even the Producer hasn't thought of it yet!

Veg-a-toble Man is-a here, Lady!

Oh, good! I must get you registered as a **Minority Group Voter!**

I'm-a not sure that's such-a good-a idea!

Nonsense! Think of **Old World pride!** Wouldn't you like to some day cast a ballot for a candidate with the same heritage as you?

Sure! But-a who'll-a buy **veg-a-tobles** from-a me on this-a show again when they find out I'm-a vote for **Spiro Agnew!**

I want a big bunch of dried carrot tops and fifty pounds of bananas! Then go tell all the neighbors about it!

Tell 'em-a what? That you people eat-a weird food?

No... that we smoke it, and you're our Pusher! We need that type of status symbol to maintain our image as enlightened Liberals!

Call the Police! There's a Spick rooting through my clothes closet!

Don't ever use that ugly word to describe one of our underprivileged Latin-American brothers! You should be glad to share your wardrobe with those less fortunate—

He's already cleaned out **YOUR** closet!

Hold these, while I go teach that shiftless Wetback to keep his greasy paws off White People's property!

Stop struggling! I merely want to lend you my understanding ear as you pour out your pathetic tale of oppression that forced you into a life of Crime!

Then please stop tearing off MY understanding ear, or nothing will pour out except my brains... all over your carpet!

You shouldn't have tried to overpower him alone, Bawde! That's a job for the Police!

ME... turn a fellow human being over to the brutality of those Fascist Pigs?! Never!! Besides, this was the first chance I had to practice since I won my Black Belt in Groin-Kicking!

What an earache she gave me! Ooh!

We don't discuss mundane physical problems like earaches in this house! How are your hemorrhoids?

Don't badger him, Wallow! Tell me... do you prefer being called a Chicano or a Mexican-American?

authorities
work me over?

No chance! Probing your
deepest psychological
motivations will rid
you of your anti-social
behavior patterns! Either
that ... or it will drive
you APE altogether!

Hi, gang! Here's where
I always come in and
say something stupid so
everybody can see that
I'm a middle-of-the-road
Republican, and therefore
an obvious IDIOT!

Not now,
Art! Bawde
is psycho-
analyzing
a Bolivian
Burglar!

Whoo-boy! Well, I'll
have to be a really
super dum-dum this
week to top that!

Father
image!

Make-up
mirror!

Ghetto! Wealthy slumlord! Chronic unemployable!

Afro bouffant! Unfashionably short sideburns! Beauty school drop-out!

Somehow, those are not the
normal word association
responses I'd expect from
a bitter, exploited Peon!

Who's a Peon?! I have a
simply wonderful job over
at A.B.C. ... simonizing
Efrem Zimbalist's hair!

Good Lord! He's
a hairdresser
for "The F.B.I."!
Call the Cops!

Okay! So you only broke
in to see if you could
use some of those God-
awful long tunics she
wears as Beauticians'
smocks! Try telling
that to Jack Webb
down at headquarters!

Oh, Jackie and I
are dear friends!
Why, I'm the one
who taught him how
to walk funny!

That part I
can believe!

It's tragic, Wallow!
When even our poor,
downtrodden crooks
start working for
flag-wavers and
hob-nobbing with
the Fuzz, what's
left to believe in?

Don't cry, Bawde! Just
remember, you can still
count on Artery ...
world-famous Surgeon,
multi-millionaire WASP,
devout Right-Winger and
incomparable fathead!

Right! I'll never let
you down! Wanna hear
my Porky Pig imitation
that broke everybody
up in the Operating
Room today while a
patient was dying??

Th—
th—
th—
that's
all,
folks!

See, Dear? And
don't forget, he's
the nincompoop who's
voted for Nixon in
every election
since 1932!

What did
Nixon
run for
in
1932?

Actually, nothing!
But around here, we
claim that 1932's the
year he was barely
edged out for Fuehrer
of Nazi Germany!

I'd better get back to the
office! Even on this show,
a busy Doctor who has time
to visit friends and drink
martinis between patients
is a little unbelievable!

I'm taking the rest of
the day off to celebrate!
I just got official word
that Bawde and I finally
have been accepted for
membership in the Club!

The CLUB!? I
told you never
to apply for
membership in
that crowd of
dull, bigoted
stuffed shirts!

Not the
Country Club,
Bawde! We're
joining the
Wife-Swapping
Club!

That's better, Wallow!
For a minute, there, I
thought you were asking
me to do something that
goes against all of my
ethical principles
and moral beliefs!

What a lucky break! The
Club meeting is tonight!
This could turn out to
be the most outrageous,
revolting thing that's
ever been shown on Prime
Time Television . . .

Gee, Wallow,
just think
of all the
hate mail
we'll get
from the
Bible Belt!

Uh—which half
of this outfit
should I wear?
I don't want
the other Club
Members to think
I'm overdressed!

Suit yourself! Just
so you scrunch down
and put a sack over
your head! I told
the Club Membership
Committee you were
petite and gorgeous!

God'll
get
you
for
that,
Wallow!

That's my girl! Now,
we're assured of at
least TWO laughs
this week, assuming
we haven't already
lost our audience
to the NBC Movie!

Hi, Wallow . . . and welcome
to the "Naughty Over-The-
Hill Swingers' Club!" Er—
where's the little woman?

We never go places TOGETHER! She's
not quite little enough to fit in
my Sports Car! The R.E.A. Express
should be delivering her soon . . .

WHITE MAN'S
MASSACRES?**

HERE WE GO WITH ANOTHER RIDICULOUS **MAD FOLD-IN**

The White Man's guns were just too much for the primitive American Indians. But the Indians had a "secret weapon" far deadlier than their bows and arrows. Today, its impact is being felt more and more. To find out exactly what this sneaky Weapon of Revenge is, fold in the page as shown.
